

assist

The revolution is here.

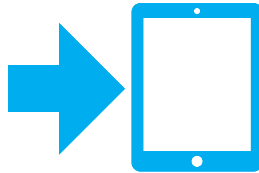

What is assist-Mi®?

assist-Mi® is a revolutionary app that offers assistance and reassurance for disabled users on the go, giving the choice of greater independence when accessing everyday goods and services.

1 Request assistance through app

2 Motability branch will anticipate your arrival

3 Assistance is ready and waiting

What can assist-Mi[®] do for you?

Mi-Profile™ – presenting users' accessibility needs, allowing the service provider to tailor the assistance to suit the individual.

assist-Mi[®] Messenger – allowing communication between user and service provider when requesting assistance.

Active Smartphone GPS – alerting the service provider to the users' imminent arrival.

Specially enhanced accessibility features for intuitive app navigation.

Download assist-Mi[®]

1. Download the assist-Mi[®] app.
2. Register your Mi-Profile™
3. 'Find Your Nearest' participating Motability branch.
4. Request Assistance.
5. Turn up.
